

I have experienced the love and have grieved the loss of my own pets in the past.

At this time we have two dogs, Jake and Lucy, who make our home complete with their love and affection.

We chose Jake, an 8 week old puppy, from a rescue centre and little Lucy was picked up from the R300.

We too will have to face the fact that one dreaded day, when the time comes, we will be as unprepared as you.

So cherish each day with your pets and show them only love and kindness.

Kind regards
